

JOB DESCRIPTION AND COMPENSATION

Job Title: Plant Manager - SWRO

Department: Operations

Job Reports To: Regional Manager, Virgin Islands

Date of last change/origination:

Based: St. Thomas, US Virgin Islands (cannot work this position remotely)

Type/Compensation: Job Full Time- Exempt

Company Description: The Company's core business is to acquire or design, build, own, operate and maintain water and wastewater treatment plants. Our customers include municipal, industrial and private commercial users. The Company's operations include desalination plants, wastewater treatment plants and related activities integral to the water business. The corporate headquarters is in Tampa, Florida and our operations are located in the United States, the Caribbean and South America. The Company's wastewater treatment focused business is largely managed from our office in Houston, Texas under the AUC Group name. Seven Seas Water makes up one of two business segments of AquaVenture Holdings Limited (NYSE: WAAS).

Job Description: Seven Seas is seeking qualified candidates to serve in Plant Management roles in the Virgin Islands. Our facilities are Seawater Desalination plants for public potable water supply and industrial use. Candidates should have 5-10+ years of experience working in an industrial environment with proven technical and management skills.

Experience in desalination, water treatment or wastewater treatment is a plus, however consideration will be given to candidates from a broad spectrum of industries and disciplines. A strong foundation in electrical power, instrumentation and controls is required. Candidates must be able to demonstrate strength in administrative and communication skills. We are seeking hands-on, well rounded leaders. Duties will range from team management, scheduling, administration, equipment troubleshooting, equipment repairs, process troubleshooting, administering a preventative maintenance program, procurement, maintaining inventory, and client relations. Permanent relocation required if not currently residing in the Virgin Islands. Relocation assistance available. Interested candidates should submit resumes to jobs@7seaswater.com.

In compliance with federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the required employment eligibility verification form upon hire. Seven Seas Water Corporation is an equal opportunity employer, where diversity is valued.
